## **Training Class Schedule Insulation and Air Sealing Level I**

This two day, 16-hour session teaches the basics of weatherization and residential energy efficiency crew work. Instruction includes job site safety, identification of different construction types, basic air sealing techniques, handling and installation of different types of insulating products, cellulose insulation blowing techniques, operation of power tools and removal and put back of different siding types. This session is (BPI) **Building Performance Institute recognized**. Call (716) 692-3676 for scheduling questions. Schedule is subject to change. Visit [www.energyefficiencytrainingcenter.com](http://www.energyefficiencytrainingcenter.com) for latest schedule updates.

Classes are conducted twice a week: Monday – Tuesday or Wednesday – Thursday. Class sizes are limited to 12 students to facilitate the "hands on" aspect of the learning experience. All training equipment is provided, and a certificate of completion is provided at the end of each session. Course cost is \$500 per student. Payment can be made with MasterCard/Visa by calling (716) 692-3676. Personal and business checks are also accepted. The entire fee for each training session is due upon registration. Cancellations with full refund are accepted no less than 24 hours before scheduled session.
